

Nastec NOW app

## Unmatched user experience.

Thanks to Nastec NOW App it's possible to communicate with all Nastec devices Bluetooth® SMART in order to:

- Monitor multiple operating parameters simultaneously on the wide, high definition, coloured screen of your smartphone or tablet.
- Develop programs, save them in the archive, copy them to other devices and share them among multiple users.
- Create reports with the possibility of adding notes and images, and email or store them in the digital archive.
- Get energy consumption statistics and check the alarm log.
- Remotely control, via Wi-Fi or GSM, a Nastec device, using a smartphone nearby as a modem.
- Promote your work on nastec.eu website by sending photos from your smartphone.

## Esperienza utente senza eguali.

Grazie all'applicazione Nastec NOW è possibile comunicare con tutti i dispositivi Nastec Bluetooth® SMART per:

- Monitorare più parametri di funzionamento contemporaneamente in un'unica ampia schermata.
- Eseguire report di funzionamento e di programmazione con la possibilità di inserire annotazioni, immagini ed inviarli tramite email o conservarli nell'apposito archivio digitale.
- Effettuare programmazioni, salvarle in archivio, copiarle su altri dispositivi e condividerle tra più utenti.
- Ricavare statistiche di consumo energetico e consultare lo storico allarmi.
- Controllare in remoto, tramite rete Wi-Fi o GSM, un dispositivo Nastec, utilizzando uno smartphone posto nelle vicinanze come modem.
- Promuovere il proprio lavoro sul sito nastec.eu inviandone foto dallo smartphone.

## Experiencia de usuario inigualable.

Gracias a la App Nastec NOW, es posible comunicarse con todos los dispositivos Nastec Bluetooth® SMART para:

- Monitoreo de múltiples parámetros de operación en la amplia y colorida pantalla de un smartphone o tablet.
- Programar, archivar, copiar a varios dispositivos e incluso compartir programaciones con múltiples usuarios.
- Realizar reportes con la posibilidad de insertar notas e imágenes, enviarlas vía email o archivarlas en una carpeta digital.
- Obtener estadísticas de consumo energético y revisar el historial de alarmas.
- Controlar y operar de manera remota, vía Wi-Fi o GSM, un dispositivo Nastec Bluetooth® SMART, utilizando un smartphone conectado como modem.
- Promocione su trabajo en el sitio web de Nastec mediante el envío de fotos desde su smartphone.

# Une expérience inégalée pour l'utilisateur.

Grâce à l'application Nastec NOW il est possible de communiquer avec tous les dispositifs Nastec Bluetooth® SMART pour:

- Contrôler plusieurs paramètres de fonctionnement en même temps sur une seule grande page-écran.
- Effectuer des programmations, les sauvegarder dans les archives, les copier dans d'autres dispositifs et les partager entre plusieurs utilisateurs.
- Rédiger des rapports de fonctionnement et de programmation avec la possibilité d'insérer des notes, des images et de les envoyer par e-mails ou de les conserver dans les archives numériques.
- Obtenir des statistiques de consommation d'énergie et consulter l'historique des alarmes.
- Contrôler à distance, au moyen du réseau Wi-Fi ou GSM, un dispositif Nastec, en utilisant un smartphone situé à proximité comme modem.
- Soutenir votre travail dans le site internet nastec.eu en envoyant des photos de votre installation par votre smartphone.

Through the free Nastec REMO service it is possible to remotely monitor and program any Nastec Bluetooth® SMART device by connecting to [remo.nastec.eu](http://remo.nastec.eu)

Attraverso il servizio gratuito Nastec REMO è possibile monitorare e programmare da remoto qualsiasi dispositivo Nastec Bluetooth® SMART collegandosi al sito [remo.nastec.eu](http://remo.nastec.eu)

A través del servicio gratuito Nastec REMO, es posible monitorear y programar de forma remota cualquier dispositivo Nastec Bluetooth® SMART conectándose al sitio [remo.nastec.eu](http://remo.nastec.eu)

Grâce au service gratuit Nastec REMO, il est possible de surveiller et de programmer à distance tous les dispositifs Nastec Bluetooth® SMART connectant au site [remo.nastec.eu](http://remo.nastec.eu)
